

NORTH WEST CHEER

2023 CORPORATE SPONSORSHIP

NorthWest Cheer (NWC) is a recreational, non-profit, completely volunteer driven organization affiliated with American Youth Cheer & Football (AYC & AYF). Since 2013, the program has offered hundreds of youth a positive environment to not only learn the strength and discipline of the sport of cheerleading, but also the opportunity to instill confidence and build leadership skills. These athletes have been given the opportunity to represent the state of Rhode Island and compete at state, regional and national levels. NWC holds four National Championship titles and multiple State and Regional first place accolades. In 2019, their 14U team won their first Globals title in Atlantic City, NJ going up against recreational cheer teams across the country. The organization is seeking sponsorships to cover expenses for uniforms, practice spaces, competition fees and travel for the 2023/2024 season. Our goal is to qualify to compete at Nationals this year and bring home our fifth National title to the state! Your tax-deductible, contribution will help us reach our goal as well as expose your organization and business to the many NWC Family and friends involved in this distinguished organization. NWC is a 501(c)(3) organization, donations are tax-deductible. Please check us out at www.northwestcheerRI.com
